Fresh paint, new carpets, new bedroom floating floors, and modern gabion basket stone retaining walls - you bet the foundations for a vast family upscale have been laid.

And nothing but the enormity of the 9m x 6m shed, a standalone high-clearance carport, plus double gate drive-through access can give the boys toys, trade vehicles or machinery a secure place to live.

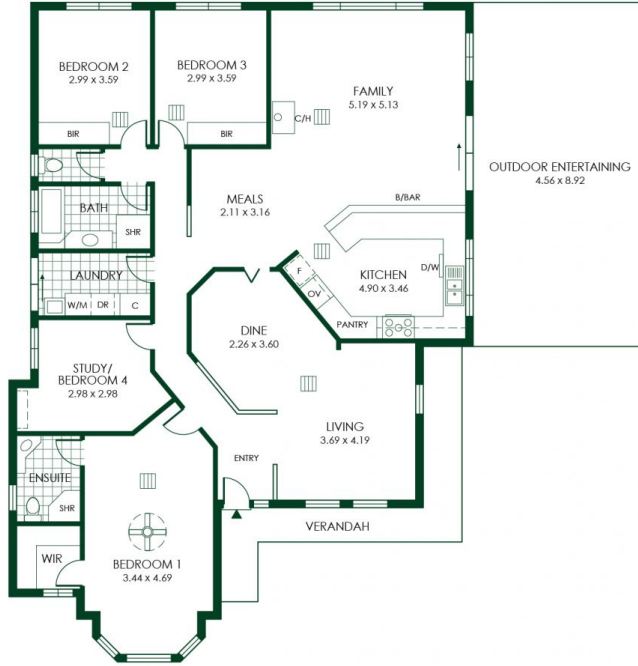

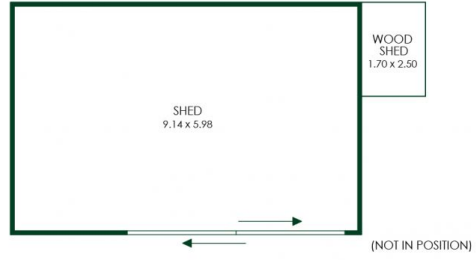

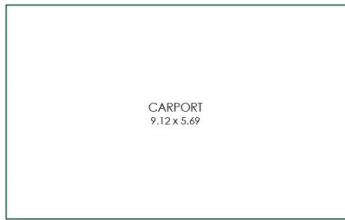

Inside, high ceilings, Victorian cove cornices, plantation shutters, and classic style infuse the home's extensive footprint - formal living, formal dining, plus a separate
