Have your cake and eat it too - a comfy home in a standout Hills setting, breathtaking Mt Barker Summit views, 20 rolling hectares to graze or explore, shearing and implement shedding, and a few sheep thrown in to get you started - your journey back to earth is here?

Feeling like a world away yet an effortless 12 minutes to Mt Barker, the stately grandeur of white entry gates and the Claret and Green Ash tree-lined driveway captivate and entice.

With neighbours such as Lot 100 and Howard Vineyard, friends and family won't hesitate to pop in on weekends and there's ample space to entertain in style in this spotlessly maintained 3-bedroom home.
