Escape to privacy, variety & acreage serenity?

There are some things only a rural recharge can remedy; one of them is Flaxley.

A chance to chase your tree-change dreams on 6.5 acres of pretty, practical flexibility for a few farm animals, an orchard, a thriving veggie patch or purely for a smooth transition to the country in renovated, 1950s style?

An acreage with as much privacy as variety. A detached studio/office/bedsit, an array of farm-ready shedding, a mammoth alfresco, and a softly hued, solar-fed 3-bedroom homestead all but a 10-minute jaunt to Mt. Barker on the cusp of charming Echunga.
