

5/100A Main Street Lobethal SA

3 2 2

A chic & comfy nest egg with best by far views!

You'll live for brisk sunny days from this bay window wonder - a 3-bedroom weatherboard home that rises to party deck elevation and beyond-belief gasps for its "hills are alive" panoramas?

For those retiring, investing, or starting out in style, you'll be very glad you came.

The home's chic double gabled profile is the appealing crown to this quiet, country cul-de-sac barely a holler from town - yet it also presents valuable off-street and undercover parking.
