3 1 3

We did... with the beauty of a 3-bedroom weatherboard home on a raise-a-family 990sqm* lifestyle parcel, a peaceful rural backdrop and a high clearance drive-through carport.

A home representing undeniable first-home potential, rental rewards, or something to sink your homemaker skills into in the heart of a village community you can't help but be taken in by.

Its country charm is hidden from street view, wrapped in timber decking outside, and awash in timber and beige inside that only a tweak or two could make truly shine.

Upon entry finds a large L-shaped living and dining zone
