## 5 Turnbull Court Woodside SA

4 2 2

Elevated, established, and eye-catching. When you can assume a home's style in a drive-by, you know there'll be an eager line forming in this lush cul-de-sac for a 4-bedder that evokes chic from its piercing gables to its refreshed family core...

Assumptions confirmed. The timeless façade meets a clean sweep of modern style with sepia tones, solar and 3-phase power, coffered ceilings, floor tiles traversing the expansive traffic areas, and black, boxed windows framing the gardens and stone retaining walls of an 813sqm block.

Welcome to Woodside.

Upon entry, you'll pivot from formal living (or if the kids insist, a media room) to the parent's private domain - box window views granted - against a deep-set walk-in robe
